

## MILLERSVILLE BOROUGH TRASH/RECYCLING COLLECTION UPDATE

### April 28, 2020

Eagle Disposal will be enforcing the following collection mandates, in an effort to protect their frontline team members, and as a result of having a limited workforce during this COVID-19 pandemic:

- **All trash must be bagged and tied.** If you wish, you can then put the bag(s) in your trash can. **Loose items will be not be collected.**
- All recyclable materials must be placed inside your recycling container, **including your flattened and bundled corrugated cardboard.** **Recyclable items left outside of your recycling container will not be collected.**
- **The bag/can limit will be enforced.** If you are over your limit, your trash will not be collected.
- **Limited collection of yard waste and over-sized items will begin on Monday, May 4, 2020.**

During the month of May, you can put up to **ten bags** of yard waste out for collection each week. Yard waste must be in the brown bio-degradable bags with a green extra service tag attached to each bag.

During the month of May, you may put **ONE** oversized item out each week, for collection. The item must have a red extra service tag attached.

If you need to purchase tags, you can send a check to Millersville Borough or put the money in the overnight drop box (to the left of the front doors) and we will mail the tags to you.

**Please continue to check the Borough's website for updates.**

Eagle Disposal takes great pride in being a trusted partner in the south central Pennsylvania community for the last 20 years. Your understanding and patience is appreciated as we all navigate these unprecedented times together.
